Brisbane Water District Vote "Yes!"

A committee consisting of representatives from Brisbane Fire Commission, Chamber of Commerce, Lions' Club, P. T. A., American Legion and Firemen's Club has been investigating for the past six months possible ways and means of obtaining adequate water for domestic use and fire protection for the residents of Brisbane.

The present private companies are not required to suply fire protection water so will not make their facilities adequate. It is a sorry state of affairs when the residents of Brisbane have nothing to say as to whether they have fire protection water or not. The State Fire Insurance Board reports that with the exsting inadequate water supply the insurance rates must be high and cannot be reduced.

After considerable investigation the committee unanimously decided that the only solution was to form a Water District to supply adequate water, and also give the people a chance to voice their opinion in future water problems.

A very competant attorney, having wide spread experience with water districts, was engaged by the committe to draw up the petitioned for forming a district in Brisbane. These petitions were circulated and signed by more than 400 registered voters.

The County Supervisors at an open hearing December 21, set the Election date for Friday, January 14, at the Brisbane Fire house. There were no protests entered at the hearing.

This election will be for the sole purpose of incorporation of the Brisbane County Water District. This is NOT an election to incorporate the town of Brisbane into a city! Don't be misled by selfish, dissenting people. After the district is voted in and formed there must be another election at a later date to elect five directors to the board who will operate the district as representatives of the Brisbane voters.

Inasmuch as this election of the Water District is sponsored by representatives of all the aforementioned organizations in Brisbane, comprising both local business men and out of town workers, it would seem that to vote against such a district would constitute opposition to progress.

The increase in taxes resulting from owning our own water system will not be burdensome and it is definitely the only method of improving our system, especially to meet the standards set up by the Fire Underwriters Bureau.

Investigate thoroughly before voting against a Water District on January 14th!

It is common knowledge that a great deal of used pipe and boiler tubing was used when laying the system that now conveys our water. In other instances eight inch mains are recommended where now only two inch mains exist.

Brisbane MUST have better fire protection and the present lines MUST be improved even for domestic use. As we on the committee see it, Brisbane has a job to do.

LET'S DO IT!

REPORTS ON No. 134 SENIOR SCOUTS

On January 1st 1949, Several Air Scouts and Leaders assisted as ushers and area supervisors at the famous East-West Football Game.

We are very proud to announce that much interest is shown by our Air Scouts in their work of overhauling a modern Radial Air Craft engine. This type of training will be very valuable to our young men in the coming years. They will stand a better chance and better position in their employment later on.

Five new members were added to the squadron recently.
They are: R. Bolden, R. Soward, G. Staser, A. Hutchinson and H. Schmidt.
This brings the total of boys to twelve.

We also have a place for Boy Scouts below the age of 15, called candidates. They also work with the Airscouts to prepare themselves for the future when they become members. Five boys are on record at present.

DRUM and BUGLE CORPS NEWS

The month of December was a very busy month for your Drum and Bugle Corps boys but after all of this hard work there is very little news to report.

It would have been a good show though if the weather man had been good to us.

Our boys, combined with 60 other boy scouts in the San Francisco area, practiced together as one Drum and Bugle Corps all during November and December and they were ready to put on a good show in the Peagants at the East-West Football Game come New Year's Day, 1949. But after waiting in the rain until 1:30 P. M. the event for us was called off and we returned to Brisbane.

However, the boys weren't completely disappointed. Upon our return home the American Legion heard about our plight and, thanks to the very civic minded officers and members of the Legion, our boys were all invited to hear the broadcast and see the Television of the game over the set in the Legion Hall.

This was appreciated very much, Brisbane American Legion, and we will not forget it. Call on us anytime we can reciprocate.

We had other very capable assistance too, in getting ready for the game. On December 18th we had a cake sale to raise money to repair drums, buy some new drum sticks and pay other expenses getting ready for and going to the game. The following cake donations were received and greatly appreciated:

Mrs. Ray Brown, Mrs. Mayo Hogue, Mrs. Bud Soward, Mrs. Lloyd Isdahl, Mrs Bell, Mrs. Hansen, Mrs. Saunders, Mrs. Woodard, Mrs. Parrish, Mrs. McIntosh, Mrs. Ruth Cress, Mrs. Clyde Waklee, Mrs. Johnson.

Thanks a lot, cake makers, you helped us more than we can put into words. This goes for the people buying the cakes too. It takes you both to put over a cake sale and we know it.

Also thanks a million to Dave Reed of the Brisbane Radio Shop and the Brisbane Lions Club for the Bus transportation. Mr. Reed contacted the proper people to get the Bus for us and the Lions put up the cash to pay the drive. Transportation for us means a lot and, again we say, anytime we can reciprocate let us know.

Also thanks to Sam Saunder Virgil Smith, U. U. Soward, Mayo Hogue, Joe Heinzer, Milt Jensen Lloyd Isdahl, and Ted Dagler (and we sincerely hope we haven't missed anyone) for all of the free gratis transportation getting us to all of the rehearsals these past two months.

We will soon start the 1949 program going. The first major event will be the Scout-O-Rama. This will be a big event this year so be on the look-out for this news next month.

FIRE DEPARTMENT

The Firemen's Christmas Party was a big success and we know the children really enjoyed themselves. Santa Claus arrived on time and had toys, fruit and candy for each child. (Note for Mr. Corlett of Bordens Dairy Delivery.) The motto "If it's Bordens it's got to be good." was again proven by the above mentioned jolly gentleman. For further information, ask Ernie our Brisbane Driver. He has the answer. Again, many thanks. A buffet supper was served by the ladies of the Firemen's Auxiliary. The food was delicious and we thank these ladies for their hard work.

* * *

The Fire Dept. had another busy time during December. 14 alarms were answered 12 of which were Ambulance calls and 2 were Fires.

Positively no open fires without first obtaining a permit from the Fire Marshal R. Siess or Chief L. Terry.

All fires in containers must be completely out by 4 P.M. each day. We have received numerous complaints and upon inspection by Fire Marshal or Chief we have had fine cooperation with the owners of these containers.

Permits must also be had for containers. Any person violating these ordinances will have their permits revoked.

The Fire Commissioners have ordered the purchase of 4 new turn-out coats for the Dept Our Commissioners believe that equipment of this kind is necessary for the protection of the firemen.

I wish to thank all those who so willingly assisted us at the scene of the fire at the Young's residence on Kings Road.

Fire Marshal R. Siess and Chief L. Terry have been very busy on inspections of Public Buildings in Brisbane.

We are glad to report that the Brisbane Theatre has now complied with all the corrections which were noted. We want to thank Mr. Joe Boyd for the fine cooperation his theatre one of the finest.

AN OPEN LETTER TO MY FELLOW BRISBANIANS

We (Mr. Young, my family and myself) wish to thank all of the kind friends who have helped us in our recent misfortune.

We would like to thank you each personally but some of you did not leave a name or address and so we are making this public.

Thanks. Your kindness and aid have meant very much to us and men, words cannot convey our deep appreciation. Only time will allow us to repay you all in any way we possibly can.

We all join in wishing you a most prosperous New Year and God's blessing on you all.

Mildred Young.

P. T. A. MEETING

The Executive Board, Room Mothers, and various chairman of the P. T. A. held a meeting December 16. There being very little business, the meeting was mainly a social affair with a Christmas party and pot luck dinner. There were 18 members present.

Mr. David Tomlin was host to a small party given in honor of his daughter, Mrs. Helen McLeod, 21st birthday, January 5th.

Highschool sority sisters and close friends, mostly from San Francisco, were guests at this happy occasion.

The usual birthday cake was served with champaigne for this most important birthday-.

GOOFY GOSSIP

Christmas has come and gone. We are facing another New Year. None of us knows what the year ahead has in store for us and that is as it should be. We do know there are three hundred sixty-five days in the coming year and it is going to be up to each and every one of us individualists to fill those days with our best efforts and thought that we feel is going to give us a full and abundant year.

There is no other country in the world that offers the opportunities we have as Americans to shape our own lives and accomplish as individuals what has never been accomplished by any other people.

We must get back to the good old rugged individualism of thinking, planning and mapping our own future, and then have the determination to carry out the intended program. Plan our work then work our plan.

To our many customers, friends and readers, lets do our own thinking, then do our part to make a better home and city to live in. If we better ourselves, we will in turn better the community in which we live. Live under the American Way of Life.

Right now the people of our community are faced with a water problem. The opportunity is afforded us on Friday, January 14, 1949. Don't lose that God-Given priviledge of doing our own thinking and expressing our feelings at the polls by putting the stamp of approval on a water district so that an adequate water supply can be had for the fast growing community in which we live. Make the district self-supporting in the future. There are people right now that cannot get enough water to wash their dishes at night. Let's right that condition for all time.

The day was sultry and as the service ended a storm broke furiously. There was a blinding flash followed by a terrific clap of thunder.

TENTATIVE PLANS FOR BAYSHORE FREEWAY

Secretary-Manager
Brisbane Chamber of Commerce
Brisbane, California
Dear Sir:

Reference is made to your letter of December 20, 1948, requesting information relative to the proposed development of the Bayshore Freeway in the vicinity of Brisbane.

Our tentative plans include two connections to serve the Brisbane and Visitacion area -- one near Third and Bayshore in San Francisco and one immediately south of Brisbane (north of Sierra Point). These will provide convenient access to the Freeway from both north and south of divert traffic to such an extent that there will be complete relief from congestion on the existing highway which will serve as a colector street between freeway connections.

We will be glad to discuss this matter further with you and suggest that you arrange to have a small representative group call at this office. If it is a hearing before the California Highway Commission which you desire, it should be arranged directly with the Secretary of the Commission in Sacramento.

Should you desire to discuss the matter in this office, please call us in advance to avoid conflicting appointments.

Tired of potatoes served the same old way?

Try these two tasty tricks with canned condensed soup: Heat cut-up cold boiled or baked potatoes in a sauce of undiluted condensed cream of mushroom soup seasoned with grated onion and 2 to 3 table spoons undiluted condensed tomato soup to give the dish a blush-pink color and zippy flavor. Or scoop out and mash hot baked potatoes. Blend with just enough undiluted condensed tomato soup to make the mixture fluffy; season with grated cheese, butter and margarine, salt and pepper. Pile mixture back into potato shells. Slide under the broiler to brown quickly.

* * *

If you want to make a large quantity of toast at one time:

Try your range broiler. For soft golden brown toast use fresh bread and place the pan close to the heat. A lower position gives a harder, drier toast. You'll save minutes if you preheat the broiler, for the slices will brown quickly and evenly.

Bright - colored nail polish has many kitchen uses:

Mark spots on your glass coffeemaker for 2-, 4-, and 6-cup watermarks; personalize beverage glasses with your guest's names at your next party; decorate Dad's favorite jumbo coffee cup and saucer with his name; mark sickroom china and cooking utensils that should be kept separate. You'll find many kitchen uses for this glamour product. And best of all, it can be taken off quickly with poish remover.

New addition to canned lmeat products - Midget frankfurters with cocktail sauce:

Each can is carefully packed with 18 to 22 tiny wieners plus a generous sack of peppy cocktail sauce. Serve as an appetizer, either hot or cold, with the sauce as a dip. Grill and serve with the heated sauce on scrambled eggs or plain omelette. Add the wieners to your favorite baked-bean casserole. Heat them in their sauce, pack in jar, and tuck in the grownup's lunch box.

BRISBANE TIGERS

Brisbane citizens can and should be very proud of the Brisbane Tigers, a Football team made up of Brisbane teen-agers.

The boys have been playing a very good brand of football and have ended their season with a won three and lost one column. The victories have been hard fought contests and all over worth opponents. The one loss was to a very good South San Francisco team who have been playing together for a long time. Although losing this one, Brisbane made a fine showing for themselves and all can be proud of them.

Following boys are team members:

G - C. Hubrig, Mirza B. Tann, Yarborough.
T - Brattan, Baron, Barrington
E - Johnson, Wakelee, Houston.
Q - R. Gregory.
H - B. Cardy, J. Crawford, Cino, Bagetta.
F - W. Hubrig.
